Bentley's Premier Popcorn is bringing the number one selling snack food, popcorn, to the vending industry. Recently featured on the Rachel Ray show, the Bentley's popcorn is specially flavored. Spending over three years testing hundreds of different combinations, Bentley's has developed its now signature recipes. These recipes are kettle roasted to deliver the flavor that is rich, creamy, robust and ultimately delicious. Bentley's uses only the finest ingredients, including Indiana popping corn, thick cream, grade A butter, plump Georgia pecans and sweet California almonds.

Bentley's Popcorn also makes a charitable donation to the Homeless Pets Foundation from the purchase of its products.

Packaged in 1.5-ounce bags placed in tins, the popcorn comes in Butter Pecan and Toffee Caramel. Additional flavors will be coming soon.
